

Mad Dogs

BRITISH PUB™

Mad Dogs is an authentic British Pub; owned by Brits, run by Brits and served by Brits. You may see many US bars masquerading as British or Irish pubs, but check their credentials, they are likely to be frauds! The word 'pub' comes from the term 'Public House'.

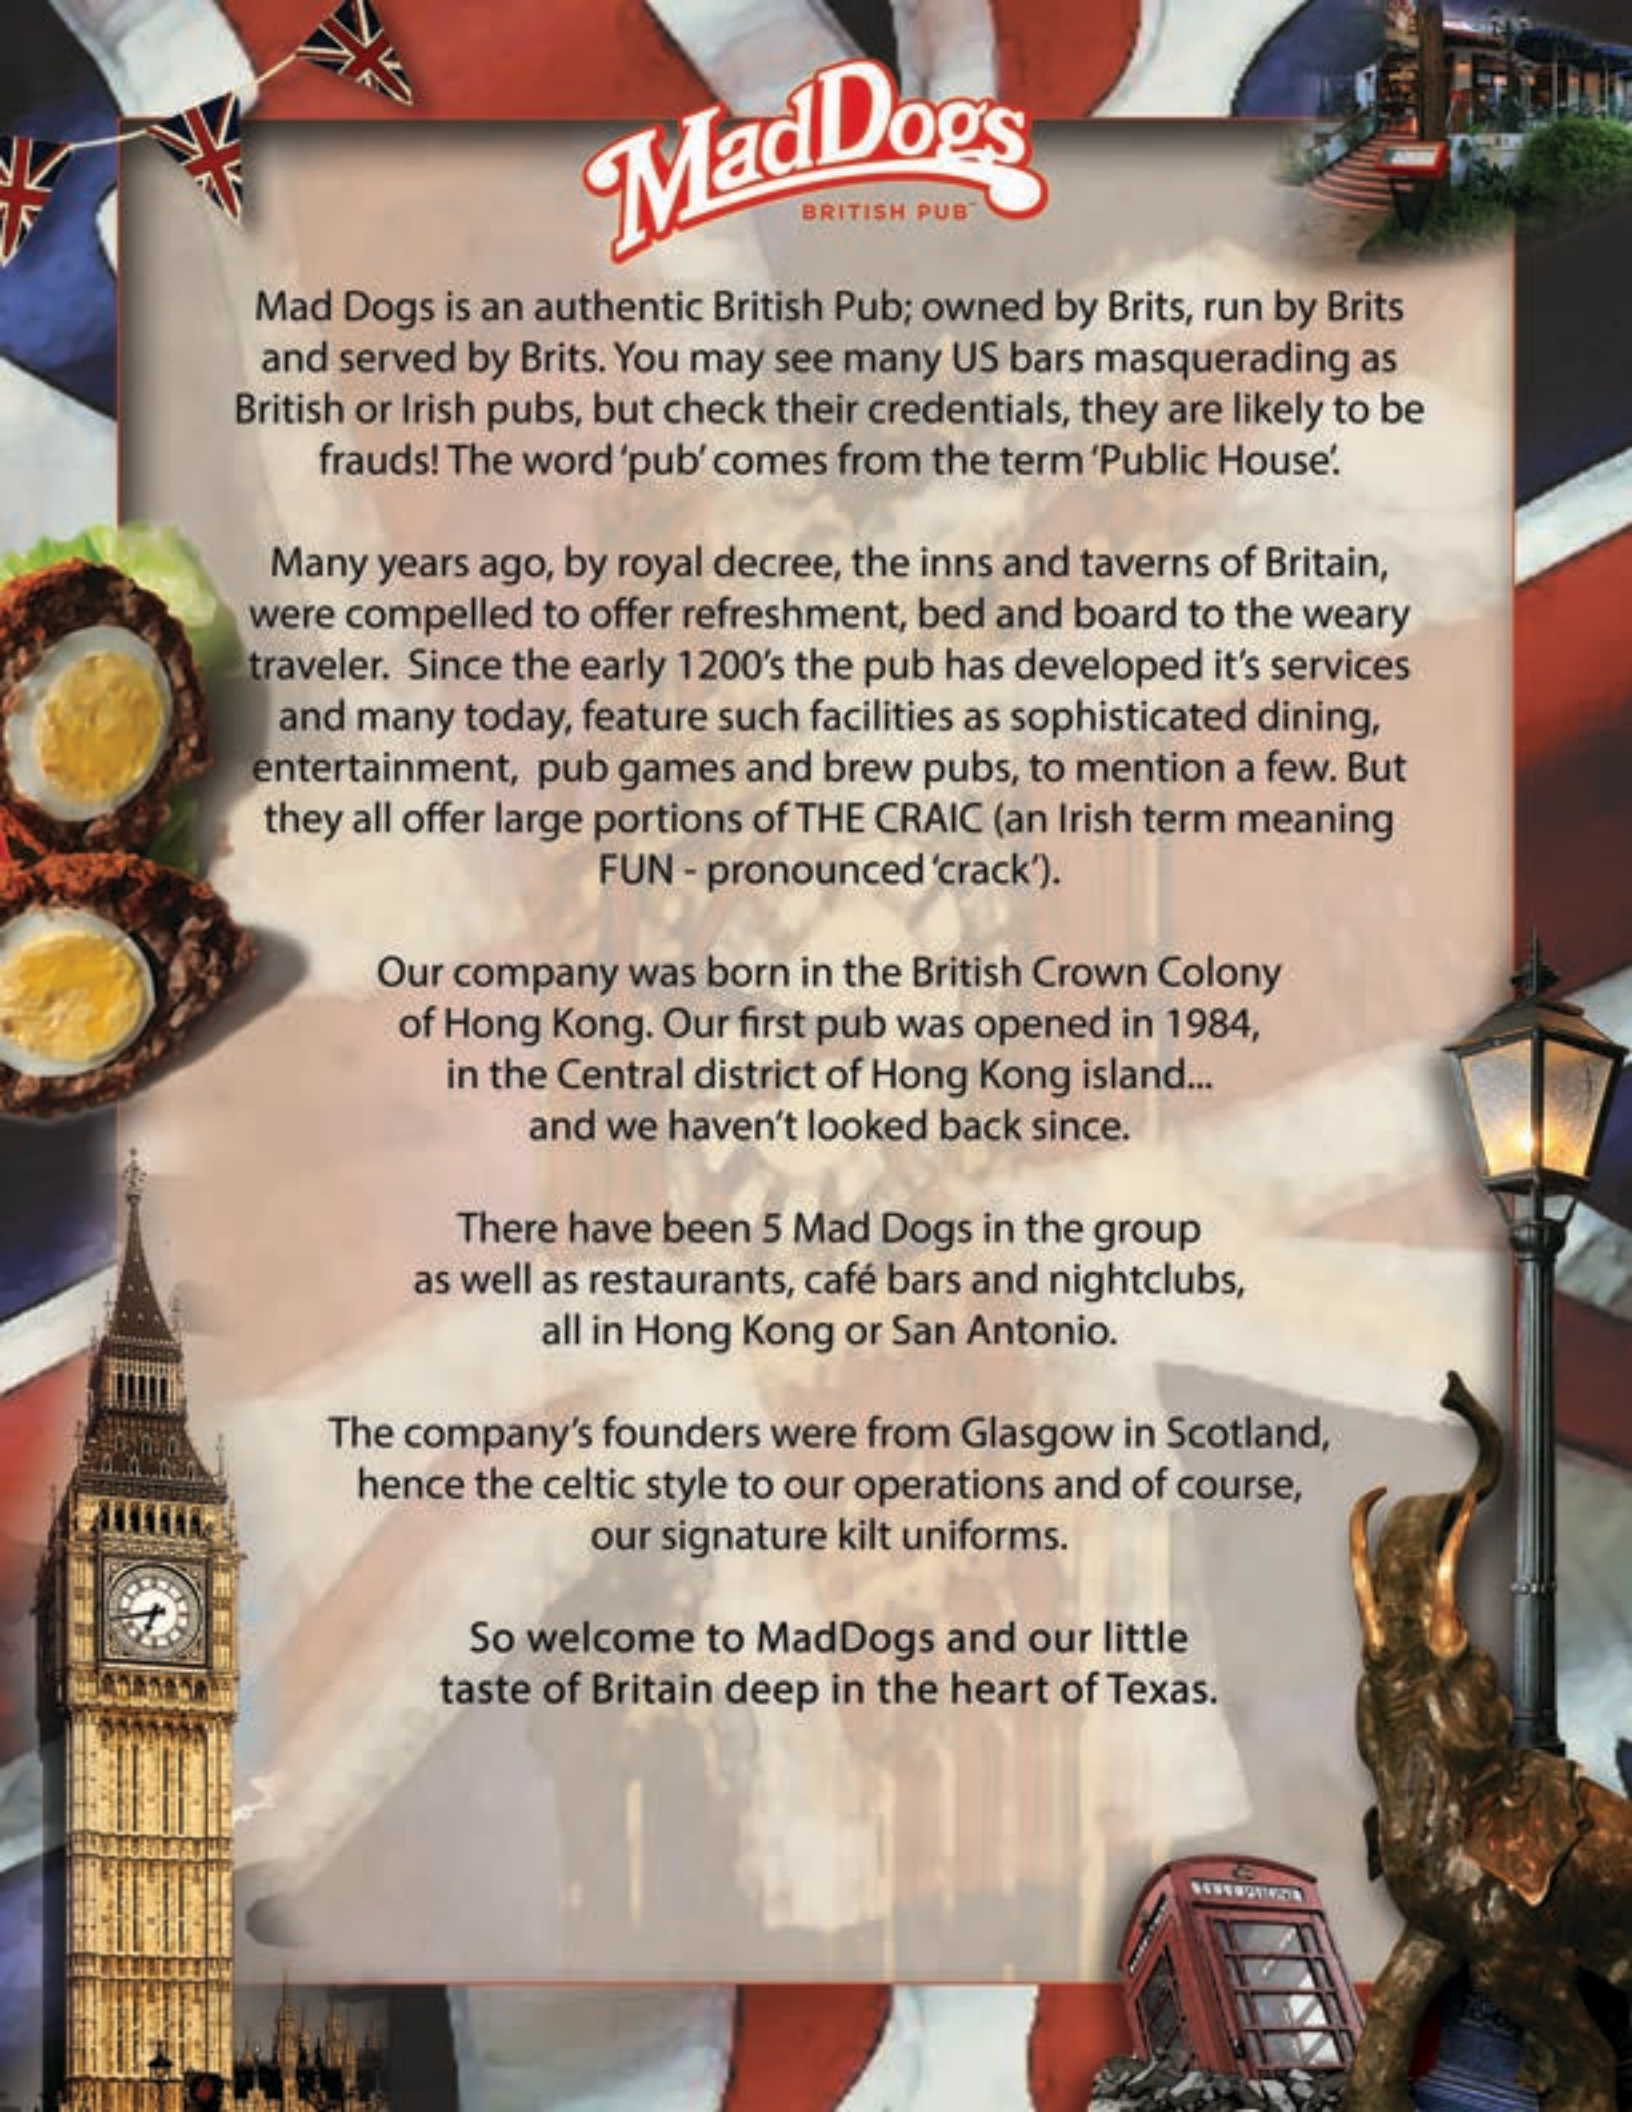

Many years ago, by royal decree, the inns and taverns of Britain, were compelled to offer refreshment, bed and board to the weary traveler. Since the early 1200's the pub has developed it's services and many today, feature such facilities as sophisticated dining, entertainment, pub games and brew pubs, to mention a few. But they all offer large portions of THE CRAIC (an Irish term meaning FUN - pronounced 'crack').

Our company was born in the British Crown Colony of Hong Kong. Our first pub was opened in 1984, in the Central district of Hong Kong island... and we haven't looked back since.

There have been 5 Mad Dogs in the group as well as restaurants, café bars and nightclubs, all in Hong Kong or San Antonio.

The company's founders were from Glasgow in Scotland, hence the celtic style to our operations and of course, our signature kilt uniforms.

So welcome to MadDogs and our little taste of Britain deep in the heart of Texas.
